A STORY BY ERNESTO SIROLI

When most well-intentioned aid workers hear of a problem they think they can fix, they go to work. This, Ernesto Sirolli suggests, is naïve. In this funny and impassioned talk, he proposes that the first step is to listen to the people you're trying to help, and tap into their own entrepreneurial spirit.

A STORY BY ERNESTO SIROLI

And we said to the Zambians, "My God, the hippos!"

And the Zambians said, "Yes, that's why we have no agriculture here."

"Why didn't you tell us?"

"You never asked."
